[from page 1] **Descriptions for New Programs:**

Spelling Bee - Spelling Bee of Canada (SBOC) is an educational organization that encourages youth, parents, teachers and the community at large to participate in the education process and celebrate academic achievement.

Math Kangaroo - The Canadian Math Kangaroo is a volunteer-run, not-for-profit organization which aims to spread the joy of mathematics. The CMKC Corporation is administered by mathematicians and teachers of math who cooperate with other professionals to provide an atmosphere suitable for motivating students to learn.

Little Scientists - Come and participate in fun experiments based on age appropriate understanding of science.

Art Thru Recycling - Have lots of old stuff? Want to get rid of toys no longer in use? Wish to teach your kids about organization? Of course!

Keep the kids busy with this fun DIY arts through recycling old stuff at home. Crafting is always fun for kids, this class will project some fun and awesome arts that will absolutely enhance their thinking abilities. You will be amazed by seeing smiles on your kiddos feeling proud to invent something new from old.

Run Jump Throw - develops fundamental movement skills and physical literacy using track and field inspired activities and games. It is taught by certified instructors.

Ballet - a type of performance dance that we are collaborating with the *Lakeridge* Community Association to provide to both our communities.
