

Lakeview Community Association

Summer might be coming to an end but the fun is just beginning this fall in your community! The Lakeview Community Association Board would like to welcome you back to the fast-approaching school year. We encourage feedback or suggestions for future and current programs/events hosted by the LCA.

LCA Mission Statement:
The Lakeview Community Association provides leadership to enhance the quality of life in its neighbourhoods.

Its objective is to encourage a sense of community and to work to improve the quality of life for the people in the neighbourhood by promoting and assisting in the development of the recreational, social and educational well-being of the residents.

Editor's Note:

So it's Fall. And the gardens are almost out of food. And the sun is going down earlier. And you are reading a newsletter instead of the hundreds of other things you could be doing. Do you know why?

Because you live in Lakeview and love this place.

We do, too! That is why we work tirelessly to provide you with the highest-quality programs, activities, and information a community association of overworked volunteers can. Enjoy!

Children's Programs This Fall

Kids Music and Movement – (max of 10 participants)

When: THURSDAYS, September 26-December 5 (NO class on October 24th)

Time: 6:15-7:00pm (45 minutes)

Where: Lakeview School Small Gym

Age group: 3-5 years old

Fee: \$40/child (+ membership fee); One parent MUST accompany the child and is free.

Description: Back by popular demand! Join us for a 10 week session of early childhood music instruction. The program will offer a carefully sequenced curriculum designed to tap into skills that research, and experience have shown that every child has: All children have an inborn ability to sing on pitch and to keep a steady beat. We don't worry about a child's ability to sing on pitch or play on a beat. These skills can be developed over time in a quality music program and the earlier the child begins, the easier it is. The only children who will never match pitch or keep a steady beat are the ones who are told that they can't! The benefits of music education are many. Music immerses the child in language, enhances brain functioning, and fosters physical coordination. Music improves overall development and decreases learning problems. Music has even been connected with resiliency—the ability to bounce back after a disturbing event. We will sing, listen, dance, play games, play instruments, explore sounds, and giggle & wiggle together with your child.

Important: parent participation is required. At least one parent must stay and participate with your child.

Drawing for Kids – (max of 10 participants)

When: FRIDAYS September 13-December 6 (NO classes on October 11th and November 8th)

Time: 6:00-6:45p.m. (45 minutes)

Where: Lakeview School Art Room 1502

Age group: 7-10 years old

Fee: \$45/child (+ membership fee); fees include instruction and supplies that will be provided with each class.

Description:

Back by popular demand! The goal of this course is to stimulate children's creativity and help them to find joy and satisfaction in art-making. Under the guidance of the Art Instructors, the students are encouraged to explore, discover, and experiment with a multitude of artistic media, including: charcoal, ink, watercolour, chalk pastels, pen, etc.

Vacant Positions Available on the LCA Board!!!

Our LCA volunteer board is looking for volunteers.

We have openings for the following positions:

- Indoor Programming-Seniors
- Director at Large

We do have events that need volunteers during the year. If you are interested in participating in events or would like to provide sponsorship, inquire by email at info@lakeviewca.com.

Thank you to the great group of volunteers dedicated to making our community a better place!!

Lakeview Rink

The rink will be making its return this winter. Thanks to all our supervisors and an even bigger thanks to the many community members who came out to help clear snow, flood, and maintain the rink this year; Lakeview is truly lucky to have such devoted community members.

Please note that we are also looking for more volunteers to come out to help with the rink board setup and flooding this year. Our Facebook page and the Winter Newsletter will provide more information on the Supervised skate times for the 2024-2025 season. We had great numbers coming out to use the rink during supervised and unsupervised times; let's beat them this year!

Please contact rink@lakeviewca.com for more information.
