### ***LCA Mission Statement:***

*The Lakeview Community Association provides leadership to enhance the quality of life in its neighborhoods.*

*Its objective is to encourage a sense of community and to work to improve the quality of life for the people in the neighborhood by promoting and assisting in the development of the recreational, social and educational well-being of the residents.*

## Messages from the LCA Board LCA Park/Rink Enhancements

The inaugural year of the Lakeview Community rink is in full swing and thanks to the commitment of our volunteers and a bit of a break from mother nature, it has been well used. The Lakeview rink has become a popular destination for our community members on sunny afternoons for supervised weekend skating, or just visiting and getting to know your neighbors. The exciting reception and frequent usage has prompted discussion about park enhancements with a focus on (City approval permitting):

- \* increasing the usable hours by providing **lights** for evening skating
- \* **warm up shack** for cooler days
- \* proper **boards** for separating skating and hockey.

**DONATE HERE:** <https://www.gofundme.com/lca-parkrink-enhancements>

We need your help Lakeview members, to improve our park and optimize rink availability. If you have enjoyed the new community rink or plan to check out the park in the future please consider donating. If you would like to donate your time by helping with rink maintenance, please contact [info@lakeviewca.com](mailto:info@lakeviewca.com). A HUGE thank you to the volunteers that have already been helping with the rink so far this year!

**Contact us:** [info@lakeviewca.com](mailto:info@lakeviewca.com)

# LAKEVIEW COMMUNITY ASSOCIATION

## Moose on the Move

Sightings of moose in the Lakeview community have been increasing as moose populations in the region expand. Moose encounters in the city are most common in the spring and fall when animals are more mobile but can occur on any month. These large animals can weigh 200-500 kg and are a serious risk for collisions with vehicles, knocking over yard fences, and may potentially harm people when they are distressed in these urban areas. If you see a moose in the city, call 911 immediately and report it. Never approach it and move far away to a safe area such as a house or vehicle. Sometimes moose leave the city on their own, but wildlife officers may come and dart the animal to put it to sleep temporarily so they can release it far away from the city.

If you have questions or concerns contact Dr. Ryan Brook at the University of Saskatchewan [ryan.brook@usask.ca](mailto:ryan.brook@usask.ca)

More information can be found at [facebook.com/SaskatchewanFarmlandMooseProject](https://www.facebook.com/SaskatchewanFarmlandMooseProject)

### **FOR A POOP FREE PARK**

#### **Spring Time Park Clean Up**

This is a friendly reminder to the lakeview community to clean up after your pets while walking them in the Lakeview park and neighborhood.

When the snow melts we will all benefit from a clean park!

Share and subscribe  
to this LCA newsletter online:  
<http://www.lakeviewca.com>

## Family Fun Day

Lakeview Park

**Sun Sept 15, 2019**

**\* Save the Date \***

For updates visit the LCA website  
[www.lakeviewca.com](http://www.lakeviewca.com)

### **Winter Play and Learn to Skate**

The City of Saskatoon is once again running free Winter Play and Learn to Skate programs around the city this winter! Stay tuned for the poster with complete details on locations, times and dates on the Saskatoon city website.

### **Volunteers Needed!**

If you are interested in volunteering on the Lakeview Community Association Board or at any of our community events, please contact us at

[info@lakeviewca.com](mailto:info@lakeviewca.com)

# LAKEVIEW COMMUNITY ASSOCIATION

Volunteers are always welcome.

## Wildlife Management

As with most cities, it is common to see wildlife in Saskatoon. Animals that can be seen in Saskatoon include coyotes, skunks, foxes, moose, deer, rabbits, porcupines, beavers, muskrats and many others. The City of Saskatoon offers some limited services related to wildlife.

If you have concerns about wildlife in Saskatoon please call Urban Biological Services at [306-975-3300](tel:306-975-3300). If there is an emergency after hours, please call the 24 hour customer service center at [306-975-2476](tel:306-975-2476). For concerns about larger animals (e.g. moose, deer, bears) contact the Saskatchewan Ministry of Environment at [306-933-6240](tel:306-933-6240).

*Article provided by Mark Planchot – City of Saskatoon Community Consultant (Area 8)*

## LCA Activities

The LCA board members work hard in a variety of ways to help give our residents a neighborhood to be proud of! We strive to provide motivating programming for youth and adults, work diligently with the City of Saskatoon to maintain our park space and connect with other organizations to create future amenities and opportunities. We encourage feedback from our members to gather ideas and suggestions so please contact us at [info@lakeviewca.com](mailto:info@lakeviewca.com). Information about our park and community events can be found under those tabs on our website.

To get involved with Scouts email Shawn at [64thlakerscommissioner@gmail.com](mailto:64thlakerscommissioner@gmail.com)

## Lakeview Rink is open!

**The ice is ready for skating, but please watch for marked areas as they should not be skated on.**

**The LCA would like to thank the many volunteers who helped bring the project together.**

We're still looking for people to help with rink maintenance.

To get involved contact [info@lakeviewca.com](mailto:info@lakeviewca.com).

## Community Association Outdoor Rinks – Interactive Map now on the City of Saskatoon Website!!!

The city has now incorporated the interactive map on the website to help promote all of the amazing outdoor rinks operated by the Community Associations across the city. The map shows the rink address, supervision hours, and even a picture to show off the rink!
